

# Mamma Mia!

I've been cheated by you since I don't know when  
So I made up my mind, it must come to an end  
Look at me now, will I ever learn?  
I don't know how, but I suddenly lose control  
There's a fire within my soul  
Just on look and I can hear a bell ring  
One more look and I forget everything, whoa

Mamma mia, here I go again  
My, my, how can I resist you?  
Mamma mia, does it show again?  
My, my, just how much I've missed you?

Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know  
My, my, I could never let you go

I've been angry and sad about things that you do  
I can't count all the times that I've told you we're through  
And when you go, when you slam the door  
I think you know that you won't be away too long  
You know that I'm not that strong  
Just one look and I can hear a bell ring  
One more look and I forget everything, whoa

Mamma mia, here I go again  
My, my, how can I resist you?  
Mamma mia, does it show again?  
My, my, just how much I've missed you?  
Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, even if I say  
Bye-bye, leave me now or never  
Mamma mia, it's a game we play  
Bye-bye doesn't mean forever  
Mamma mia, here I go again  
My, my, how can I resist you?  
Mamma mia, does it show again?  
My, my, just how much I've missed you?  
Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know  
My, my, I could never let you go

# A Million Dreams

I close my eyes and I can see  
A world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

'Cause every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

There's a house we can build  
Every room inside is filled  
With things from far away  
The special things I compile  
Each one there to make you smile  
On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
Oh, a million dreams for the world we're gonna make

However big, however small  
Let me be part of it all  
Share your dreams with me  
You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see  
To the world I close my eyes to see  
I close my eyes to see

Every night I lie in bed  
The brightest colours fill my head  
A million dreams are keeping me awake  
A million dreams, a million dreams  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make  
For the world we're gonna make

# Seasons of Love

Five hundred twenty-five thousand, six hundred minutes  
Five hundred twenty-five thousand moments so dear  
Five hundred twenty-five thousand, six hundred minutes  
How do you measure, measure a year?

In daylights, in sunsets  
In midnights, in cups of coffee  
In inches, in miles  
In laughter, in strife  
In five hundred twenty-five thousand, six hundred minutes  
How do you measure a year in the life?

How about love?  
How about love?  
How about love?  
Measure in love  
Seasons of love  
Seasons of love

Five hundred twenty-five thousand, six hundred minutes  
Five hundred twenty-five thousand journeys to plan  
Five hundred twenty-five thousand, six hundred minutes  
How do you measure the life of a woman or a man?

It's time now to sing out  
Though the story never ends  
Let's celebrate  
Remember a year in the life of friends

Remember the love  
Remember the love, remember the love (oh, love)  
Love (oh, give me love now)  
Measure in love  
(Measure in love  
Measure in love  
Seasons of love)

# A Whole New World

(Aladdin)I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did  
You last let your heart decide?

I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no  
Or where to go  
Or say we're only dreaming

(Jasmine)A whole new world  
A dazzling place I never knew  
But when I'm way up here  
It's crystal clear  
that now I'm in a whole new world with you

(Aladdin)Now I'm in a whole new world with you

(Jasmine)Unbelievable sights  
Indescribable feeling  
Soaring, tumbling, freewheeling  
Through an endless diamond sky

(Jasmine)A whole new world  
(Aladdin)Don't you dare close your eyes  
(Jasmine)A hundred thousand things to see  
(Aladdin)Hold your breath - it gets better  
(Jasmine)I'm like a shooting star  
I've come so far  
I can't go back to where I used to be  
(Aladdin)A whole new world  
(Jasmine)Every turn a surprise  
(Aladdin)With new horizons to pursue  
(Jasmine)Every moment red-letter  
(Both)I'll chase them anywhere  
There's time to spare  
Let me share this whole new world with you

(Aladdin)A whole new world  
(Jasmine)A whole new world  
(Aladdin)That's where we'll be  
(Jasmine)That's where we'll be  
(Aladdin)A thrilling chase  
(Jasmine)A wondrous place  
(Both)For you and me

# Beauty and the Beast

Tale as old as time  
True as it can be  
Barely even friends  
Then somebody bends  
Unexpectedly

Just a little change  
Small to say the least  
Both a little scared  
Neither one prepared  
Beauty and the Beast

Ever just the same  
Ever a surprise  
Ever as before  
And ever just as sure  
As the sun will rise

Tale as old as time  
Tune as old as song  
Bittersweet and strange  
Finding you can change  
Learning you were wrong

Certain as the sun  
Rising in the east  
Tale as old as time  
Song as old as rhyme  
Beauty and the Beast  
Tale as old as time  
Song as old as rhyme  
Beauty and the Beast
